Introduction

This year Hebron High School has undergone many improvements.

The driveway around the school has been black-topped to insure safer driving conditions. Some of the classrooms have been improved by installing accoustical tile on the ceilings. The kindergarten and first grade classes have been moved from the high school to the elementary building. This has enabled several teachers to finally have their own home rooms.

New teacners include Mrs. Brickman as art teacher, and Mrs. Roberts as English and literature teacher. Also another foreign language, German, has been added to the curriculum and is taught by Mrs. Nelson. A new Language Club has been formed under the direction of Mrs. Franzman and Mrs. Nelson.

The Junior High and High School student body has increased to 349 with 20 faculty members.

Because of the increase of the student body, the Seneca Staff has decided to omit grades one through six. This omission also enables the high school to have larger class pictures and more room for school activities in the Seneca.

Dedication

We, the Senior Class of Hebron High School, wish to dedicate this, the 1968 SENECA, to Mrs. Hannah Eldridge. In the eight years she has taught, Mrs. Eldridge has been a fine teacher and close friend. She has given unselfishly of her time and knowledge.

We know that this dedication is but a small token expressing our thanks for all the time she has given; however, we hope it expresses our appreciation for her years of service to our school.

just think, one more
year of this and we're out.
I think I'll write a book on stealing
signs with guys by the names of Hoggie,
Babble, Month, and Pancho. (that's a
joke) Remember the times the Pat, Chris,
you, and I have had together: We'll have to make
another trip to the dunes but when we do
keep radar contact with you to, Boy!!! Oh yeah, someday
I love to show you where ole Lady Berg lives. Well, right
now I'm worried about passing this six-weeks of English — what a
terrible subject. Well, guess I'd better close. Just always remember the
great class of "69" and all of our "gang." Best of luck with Pat, your
parents, Abe, and its "colored" wife.

HOWARD DILLABAUGH
Trustee

The administration of our school is headed by the trustee, Mr. Dillabaugh and the principal, Mr. Knauff. They are assisted by Mr. Gwin, Assistant Principal and Dean of Boys and Mrs. Berrier, Dean of Girls. These people do the work that keeps the school running smoothly and efficiently.

The secretary, Jo Guillod, is the person responsible for aptly keeping all the books and handling all the money. And Mrs. Kaldahl, Secretary to Mr. Gwin, helps him with his typing and keeping of records.

Without the services of each of these people our school could not function effectively in guiding our students in their course of education.

This year the faculty enjoyed a chicken barbecue in the fall. Mr. Schiek and Mr. Fry again did a good job barbecuing the chicken.

Mrs. Schiek was honored by a farewell party given by the Juniors, but they were pleasantly surprised when they found her teaching them history.

The wedding bells have already rung for Mrs. Wilson. This summer Mr. Schroeder will take the BIG step.

As you can see, the faculty has been very busy this year.

Educational, Exciting, and Fun!!

In October, we took our Senior Trip to Washington D.C. and New York City.

Each one of us can say that every minute was enjoyed even though we were tossed about from planes to buses, to walking and more walking. To add to the confusion, we tried to absorb all we could of the historical and interesting sights shown in such a little time.

We also noticed the contrast between the two cities we visited; Washington being impressive and New York City being exciting!

All in all, we believe that our Senior Trip will be one we will long remember.

"Underwater Fantasy" was the theme of the Junior-Senior Prom which was created by Arlen Bergslien. Based on the Legend of Atlantis, it proved to be a very colorful and beautiful event. The large mural was painted in vivid colors depicting underwater life. Large, beautiful fish were swimming through ancient ruins and delicate sea shells and ferns adorned the ocean's floor. To add to the beauty was a graceful oyster shell throne. The King and Queen sat on large pearls in the center of the throne.

An interesting part of the prom was the refreshment table. This was an old sunken ship's hull lit by small lanterns. The theme was made complete by having the servers dress as pirates. And of course, there was the usual treasure chest, overflowing with gold and jewels and carefully guarded by a beautiful mermaid. This beautiful "Underwater Fantasy" will surely be remembered as a wonderful event.

Mr. Schroeder

Mrs. Schiek

Wayne Fry

This year the faculty enjoyed a chicken barbecue in the fall. Mr. Schiek and Mr. Fry again did a good job barbecuing the chicken.

Mrs. Schiek was honored by a farewell party given by the Juniors, but they were pleasantly surprised when they found her teaching them history.

The wedding bells have already rung for Mrs. Wilson. This summer Mr. Schroeder will take the BIG step.

As you can see, the faculty has been very busy this year.

PRESIDENT--PAULA COLMAN

The Student Council serves to provide a basis for a better understanding between the students and the faculty. The Student Council is responsible for the selection of the convocations for the student body, for presenting such holiday programs as the Thanksgiving convocation, and for sponsoring various activities for the benefit of the students and the school. The council also sponsors members to the Student Council Workship and to the Student Council Convention.

Included in their activities this year, the council selected a school flag and for the first time revised our handbook.

Student Council

Booster

The Booster Club is made up of students in grades 7 thru 12. These students yell to back our team at basketball and baseball games, and at track and cross country meets. This year at the Porter County Tourney, our Booster Club worked hard to prepare an organized block. The purpose of the block was to generate enthusiasm and promote good sportsmanship. The costuming and yells centered around the theme "Happiness is Being Champs" and the antics of the famous Peanuts gang. This is probably the largest single project of the club all year,

Educational, Exciting, and Fun!!

In October, we took our Senior Trip to Washington D.C. and New York City.

Each one of us can say that every minute was enjoyed even though we were tossed about from planes to buses, to walking and more walking. To add to the confusion, we tried to absorb all we could of the historical and interesting sights shown in such a little time.

We also noticed the contrast between the two cities we visited; Washington being impressive and New York City being exciting!

All in all, we believe that our Senior Trip will be one we will long remember.

Club

but the members are continually working to create school spirit and good sportsmanship among the participants and fans, both young and old. The Booster club members have their work cut out for them to cheer the Hebron Hawks to victory no matter what the sport or who the opponent is.

COUNTY TOURNEY
January '68

Happiness is winning, but is also being a part of the victory when you have yelled and cheered your team on to do its very best.

G.A.A.

Again this year, the G.A.A. has been quite active. As a member of the State organization, a volleyball team was formed and the girls participated in games with other schools. The theme for their annual dance was "Candyland."

At the end of each year the G.A.A. holds its annual banquet where the next year's officers are announced. This is looked forward to by all.

Officers of the G.A.A. are as follows: President, Joan Simpson; Vice President, Michelle Smok; Pat Torbeson, Secretary; and Kim Gant, Treasurer.

Brenda Einsphar, Rosa Rajkovic, Pat Osburn, and Marianne Minor.

Seneca Staff

The Seneca Staff started early and stayed late from September to March, working once and sometimes twice a week on the yearbook. The Staff sold ads, typed and re-typed pages, and took many pictures. We had a lot of fun and hope you enjoy reading it as much as we did working on it.

Honor Society

The National Honor Society is under the direction of Mrs. Franzman and Mr. Knauff. The Society sponsored a March of Dimes drive and a special project. In addition to this, the Society provided ushers for Commencement and Baccalaureate and was in charge of the Easter program.

To conclude a very successful year, the Society took a trip to Chicago to see a well-known movie.

Hawker Staff

This year the Hawker Staff has kept everyone well informed of the school activities.

Editor Joan Simpson and Assistant Editor Jo Ann Martin have kept the staff very busy in presenting a poll each month of the main issues of todays problems. With the assistance of Mrs. Gwin, the Hawker Staff has done a fine job.

F.H.A.

The F.H.A. is an organization that promotes interest in homemaking and family activities. The club was very busy this past year with numerous activities. Again this year the F.H.A. sponsored a "Brownie Points for F.H.A." day. A Christmas party was held and enjoyed by all. Mrs. Berrier, the club sponsor, accompanied the girls as they went Christmas caroling. In April, the club sponsored an F.H.A. week. Each day was special, for example, sweat shirt day, red and white day, and a dress-up day were held. The week was climaxed with a dance. All in all, the year was prosperous and a lot of fun.

Science Club

The Science Club, sponsored by Mr. Rutherford, increased its membership this year to forty. In addition to the business part of the meeting, films were shown and special reports were given by the members. Outside activities included several field trips among them being Argon National Laboratory. As a special project, the club once again sponsored a Science Fair. Officers for this year were Dave Martin, president, Gary Pierce, vice-president, and Jane Yeoman, secretary-treasurer.

The Safety Patrol has done a very good job assisting Mr. Roland Kuntzman, our adult patrolman, in guiding the children past the crossings.

These boys deserve co-operation from all the students for the fine job they are doing for us.

HONORS

BETTY CROCKER AWARD

Each year the Senior girls take a test to determine the Betty Crocker Homemaker of Tomorrow. The award this year went to Bonnie Drennen.

D.A.R. AWARD

The qualifications for the D.A.R. Good Citizen Award are leadership, service, dependability, and patriotism. Congratulations to Linda Nethery for receiving this honor.

BOYS' STATE

Boys' State delegates attend Hoosier Boys' State for one week during the summer at Indiana University at Bloomington. During this time, the boys learn about the state government, its officers, its legislative processes, and its politics. This year's Boys' Staters are Jim Hullihan, delegate; and Larry Armstrong, alternate.

GIRLS' STATE

Girls' State delegates are chosen each year by the faculty on the basis of academic standing, citizenship, and an active interest in government. The girls learn much about the government and gain a better knowledge and respect for their nation. This year's Girls' Staters are Paula Colman, delegate; and Linda Nethery, alternate.

Recognitions

The student secretaries work various hours in the office and try to make the job of our secretary, Mrs. Guillod, a little easier.

In the morning and after school, John Knopf, Jack Haberlin, and David Helm faithfully take care of the school flag.

So our school will never be thirsty, Jerry McIntire spends a few minutes each day filling the pop machine.

Jane Yeoman, Peggy Sheetz, and Evelyn Slosman fill the candy machine to make our school sweet.

Track

For the first time this year the Seneca staff decided to print the record of the 1966-67 track season to give due recognition to the boys who work so hard to maintain a winning record for our school. Along with the below listed record, Hebron placed 1st in the last running of the K.V.A.A. by defeating six other schools. We also won the Hebron relays by defeating five schools. Hebron placed second to Kouts in the county meet. Paul Yeoman deserves special recognition for receiving the Nelson Richardson award based on scholastic and athletic ability. Also the 880 relay team consisting of Mike Hofferth, Jim Hullihan, Larry Armstrong, and Paul Yeoman deserves special recognition for setting a school record of 1:34.7.

Cross Country

One of the most demanding sports we have at Hebron High is Cross Country. This year the Hawks drew a large crowd of boosters while they won two out of seven dual meets and one triangular meet, and placed second in a four-way meet and three triangular meets. Leading runners for the Hawks were Bob Evans, Dave Martin, Jim Hullihan, Tom Gross, Gary Pierce, and Dick Tysen.

This year the Hawks varsity basketball team played a rough schedule. Although they didn't fare quite so well as they have in recent years, the Hawks provided fans with some very exciting moments. The Hawks were victorious in a very thrilling game over River Forest; and when we won by one point after an overtime with the Liberty Lions, the fans were completely exhausted by the hectic suspense. Mike Hofferth led this year's varsity team in scoring and rebounding.

Cheerleaders

Barb Stalbaum, Jean Simpson, Linda Nethery, Sonja Osby

It is the job of the varsity cheerleaders to create school spirit and generate enthusiasm at all sports events and athletic contests. This year's cheerleaders, Sonja Osby, Jean Simpson, Linda Nethery, and Barb Stalbaum worked hard to fulfill this obligation. They started by attending a camp held at Syracuse, Indiana, where they learned the newest techniques. These techniques were put to use all year to cheer the Hawks to another successful season.

Baseball

The 1967 Hebron High School baseball team had another very successful year, tying for the Porter County Conference Title with a 6-1 record. This was the sixth year in a row the Hawks have won or tied for the conference championship. The one loss came during the last game of the season and broke an 11 game winning streak and marked the second conference loss in the past five years.

The strong Hebron attack was led by Al Lilley with a .500 batting average followed closelybby three players in the .400's. Larry Armstrong did a good job on the mound ending up with a 6-0 record with 65 strike-outs and allowing only 13 runs.

J.V. Basketball

This year the J.V. basketball team provided their fans with many exciting games. Along with gaining experience from these games and the long hours of practice in preparation for them, the boys learned to work together as a team. As winners of the South County J.V. Tourney, this team promises basketball fans many exciting and victorious games in the future. Leading scorers for the J.V. Hawks were Tom Gross, Rusty Pawlak, and Don Bales. Rusty and Don were moved up to the varsity team before the end of the season.

The Hebron High School freshmen basketball team closed the season with an unblemished record. Local fans who were able to witness these boys in action this year were treated to some entertaining basketball. The boys combined an aggressive defense with a fast breaking offense to completely overpower some opponents as was evident in the first quarter scores of the last two games: 17--4 and 16--2. These boys were also able to maintain their poise in the hectic final moments of the close games and come out victorious.

Junior Varsity

The junior varsity cheerleaders worked hard this year not only in encouraging their team to do their best but also in assisting the varsity squad. Team work is an essential part of the cheerleading squad as well as the team and these girls did their part. For the first time this year, these girls participated in the school song which was a spirited and attractive addition.

Cheerleaders

Junior High

Like the junior high ball players, these girls are eagerly awaiting the day when they can cheer the high school teams to victory. With this in mind, they vigorously do their job of generating spirit and enthusiasm in the junior high team and fans.

Jr. High Basketball

The junior high basketball boys worked hard to uphold the Hebron tradition of winning season. Coach Kenneth Schiek has worked with these boys and has begun shaping them into the future varsity ball players. These boys have hours and hours of running stairs, practicing drills, and shooting free throws--just like the varsity players.

The Chorus has also been very busy this year. They put on a very successful musical this fall called, "So This Is Paris." They also put on a delightful Winter and Spring Concert. The Chorus has a total membership of 62. They attended the State Chorus Contest. Accompanist is Sandi Larsen. President Peg Aylesworth and Librarian Jane Yeoman.

The Junior High Band consists of seventh and eighth grade students under the direction of Mr. Bunning. Along with the other music classes, these band members also participate in the annual spring and winter concerts. With much practice these students will eventually become members of the high school band and will participate in its activities.

PRESIDENT--PAULA COLMAN

The Student Council serves to provide a basis for a better understanding between the students and the faculty. The Student Council is responsible for the selection of the convocations for the student body, for presenting such holiday programs as the Thanksgiving convocation, and for sponsoring various activities for the benefit of the students and the school. The council also sponsors members to the Student Council Workship and to the Student Council Convention.

Included in their activities this year, the council selected a school flag and for the first time revised our handbook.

Booster

The Booster Club is made up of students in grades 7 thru 12. These students yell to back our team at basketball and baseball games, and at track and cross country meets. This year at the Porter County Tourney, our Booster Club worked hard to prepare an organized block. The purpose of the block was to generate enthusiasm and promote good sportsmanship. The costuming and yells centered around the theme "Happiness is Being Champs" and the antics of the famous Peanuts gang. This is probably the largest single project of the club all year,

Club

but the members are continually working to create school spirit and good sportsmanship among the participants and fans, both young and old. The Booster club members have their work cut out for them to cheer the Hebron Hawks to victory no matter what the sport or who the opponent is.

COUNTY TOURNEY
January '68

Happiness is winning, but is also being a part of the victory when you have yelled and cheered your team on to do its very best.

G.A.A.

Again this year, the G.A.A. has been quite active. As a member of the State organization, a volleyball team was formed and the girls participated in games with other schools. The theme for their annual dance was "Candyland."

At the end of each year the G.A.A. holds its annual banquet where the next year's officers are announced. This is looked forward to by all.

Officers of the G.A.A. are as follows: President, Joan Simpson; Vice President, Michelle Smok; Pat Torbeson, Secretary; and Kim Gant, Treasurer.

Brenda Einsphar, Rosa Rajkovic, Pat Osburn, and Marianne Minor.

Seneca Staff

The Seneca Staff started early and stayed late from September to March, working once and sometimes twice a week on the yearbook. The Staff sold ads, typed and re-typed pages, and took many pictures. We had a lot of fun and hope you enjoy reading it as much as we did working on it.

Honor Society

The National Honor Society is under the direction of Mrs. Franzman and Mr. Knauff. The Society sponsored a March of Dimes drive and a special project. In addition to this, the Society provided ushers for Commencement and Baccalaureate and was in charge of the Easter program.

To conclude a very successful year, the Society took a trip to Chicago to see a well-known movie.

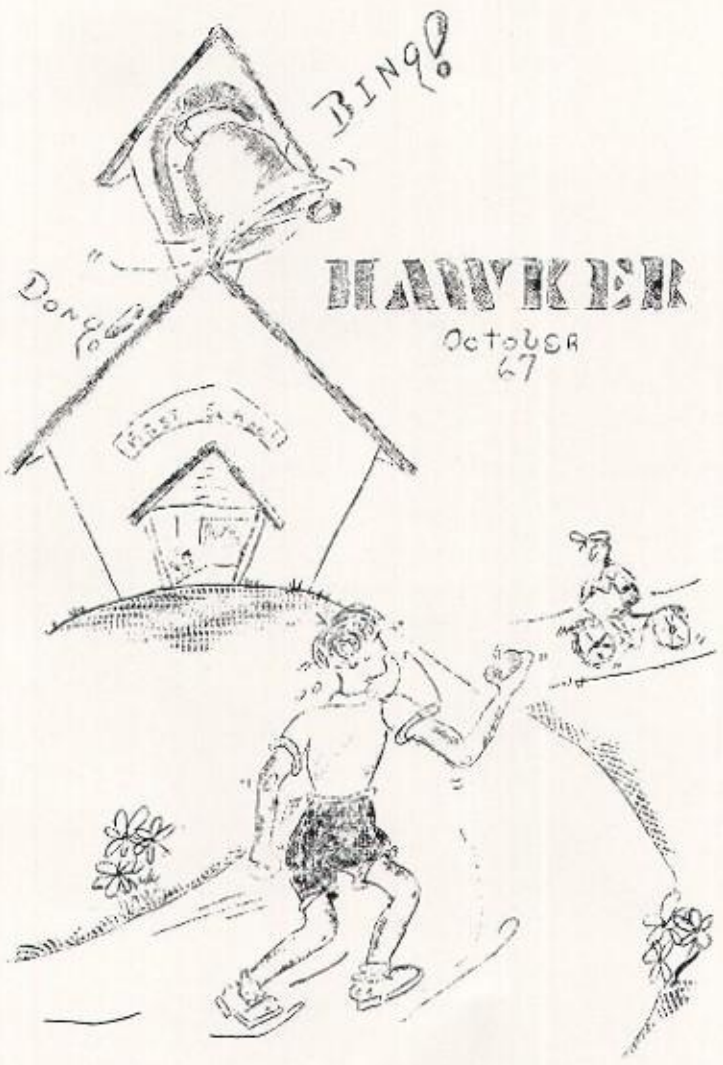
Hawker Staff



This year the Hawker Staff has kept everyone well informed of the school activities.

Editor Joan Simpson and Assistant Editor Jo Ann Martin have kept the staff very busy in presenting a poll each month of the main issues of todays problems. With the assistance of Mrs. Gwin, the Hawker Staff has done a fine job.

F.H.A.

The F.H.A. is an organization that promotes interest in homemaking and family activities. The club was very busy this past year with numerous activities. Again this year the F.H.A. sponsored a "Brownie Points for F.H.A." day. A Christmas party was held and enjoyed by all. Mrs. Berrier, the club sponsor, accompanied the girls as they went Christmas caroling. In April, the club sponsored an F.H.A. week. Each day was special, for example, sweat shirt day, red and white day, and a dress-up day were held. The week was climaxed with a dance. All in all, the year was prosperous and a lot of fun.

Science Club

The Science Club, sponsored by Mr. Rutherford, increased its membership this year to forty. In addition to the business part of the meeting, films were shown and special reports were given by the members. Outside activities included several field trips among them being Argon National Laboratory. As a special project, the club once again sponsored a Science Fair. Officers for this year were Dave Martin, president, Gary Pierce, vice-president, and Jane Yeoman, secretary-treasurer.

The Safety Patrol has done a very good job assisting Mr. Roland Kuntzman, our adult patrolman, in guiding the children past the crossings.

These boys deserve co-operation from all the students for the fine job they are doing for us.

HONORS

BETTY CROCKER AWARD

Each year the Senior girls take a test to determine the Betty Crocker Homemaker of Tomorrow. The award this year went to Bonnie Drennen.

D.A.R. AWARD

The qualifications for the D.A.R. Good Citizen Award are leadership, service, dependability, and patriotism. Congratulations to Linda Nethery for receiving this honor.

BOYS' STATE

Boys' State delegates attend Hoosier Boys' State for one week during the summer at Indiana University at Bloomington. During this time, the boys learn about the state government, its officers, its legislative processes, and its politics. This year's Boys' Staters are Jim Hullihan, delegate; and Larry Armstrong, alternate.

GIRLS' STATE

Girls' State delegates are chosen each year by the faculty on the basis of academic standing, citizenship, and an active interest in government. The girls learn much about the government and gain a better knowledge and respect for their nation. This year's Girls' Staters are Paula Colman, delegate; and Linda Nethery, alternate.

Recognitions

The student secretaries work various hours in the office and try to make the job of our secretary, Mrs. Guillod, a little easier.

In the morning and after school, John Knopf, Jack Haberlin, and David Helm faithfully take care of the school flag.

So our school will never be thirsty, Jerry McIntire spends a few minutes each day filling the pop machine.

Jane Yeoman, Peggy Sheetz, and Evelyn Slosman fill the candy machine to make our school sweet.

ATHLETICS

Track

For the first time this year the Seneca staff decided to print the record of the 1966-67 track season to give due recognition to the boys who work so hard to maintain a winning record for our school. Along with the below listed record, Hebron placed 1st in the last running of the K.V.A.A. by defeating six other schools. We also won the Hebron relays by defeating five schools. Hebron placed second to Kouts in the county meet. Paul Yeoman deserves special recognition for receiving the Nelson Richardson award based on scholastic and athletic ability. Also the 880 relay team consisting of Mike Hofferth, Jim Hullihan, Larry Armstrong, and Paul Yeoman deserves special recognition for setting a school record of 1:34.7.

Cross Country

One of the most demanding sports we have at Hebron High is Cross Country. This year the Hawks drew a large crowd of boosters while they won two out of seven dual meets and one triangular meet, and placed second in a four-way meet and three triangular meets. Leading runners for the Hawks were Bob Evans, Dave Martin, Jim Hullihan, Tom Gross, Gary Pierce, and Dick Tysen.

This year the Hawks varsity basketball team played a rough schedule. Although they didn't fare quite so well as they have in recent years, the Hawks provided fans with some very exciting moments. The Hawks were victorious in a very thrilling game over River Forest; and when we won by one point after an overtime with the Liberty Lions, the fans were completely exhausted by the hectic suspense. Mike Hofferth led this year's varsity team in scoring and rebounding.

It is the job of the varsity cheerleaders to create school spirit and generate enthusiasm at all sports events and athletic contests. This year's cheerleaders, Sonja Osby, Jean Simpson, Linda Nethery, and Barb Stalbaum worked hard to fulfill this obligation. They started by attending a camp held at Syracuse, Indiana, where they learned the newest techniques. These techniques were put to use all year to cheer the Hawks to another successful season.

Baseball

The 1967 Hebron High School baseball team had another very successful year, tying for the Porter County Conference Title with a 6-1 record. This was the sixth year in a row the Hawks have won or tied for the conference championship. The one loss came during the last game of the season and broke an 11 game winning streak and marked the second conference loss in the past five years.

The strong Hebron attack was led by Al Lilley with a .500 batting average followed closelybby three players in the .400's. Larry Armstrong did a good job on the mound ending up with a 6-0 record with 65 strike-outs and allowing only 13 runs.

J.V. Basketball

This year the J.V. basketball team provided their fans with many exciting games. Along with gaining experience from these games and the long hours of practice in preparation for them, the boys learned to work together as a team. As winners of the South County J.V. Tourney, this team promises basketball fans many exciting and victorious games in the future. Leading scorers for the J.V. Hawks were Tom Gross, Rusty Pawlak, and Don Bales. Rusty and Don were moved up to the varsity team before the end of the season.

The Hebron High School freshmen basketball team closed the season with an unblemished record. Local fans who were able to witness these boys in action this year were treated to some entertaining basketball. The boys combined an aggressive defense with a fast breaking offense to completely overpower some opponents as was evident in the first quarter scores of the last two games: 17--4 and 16--2. These boys were also able to maintain their poise in the hectic final moments of the close games and come out victorious.

Junior Varsity

The junior varsity cheerleaders worked hard this year not only in encouraging their team to do their best but also in assisting the varsity squad. Team work is an essential part of the cheerleading squad as well as the team and these girls did their part. For the first time this year, these girls participated in the school song which was a spirited and attractive addition.

Cheerleaders

Junior High

Like the junior high ball players, these girls are eagerly awaiting the day when they can cheer the high school teams to victory. With this in mind, they vigorously do their job of generating spirit and enthusiasm in the junior high team and fans.

Jr. High Basketball

The junior high basketball boys worked hard to uphold the Hebron tradition of winning season. Coach Kenneth Schiek has worked with these boys and has begun shaping them into the future varsity ball players. These boys have hours and hours of running stairs, practicing drills, and shooting free throws--just like the varsity players.

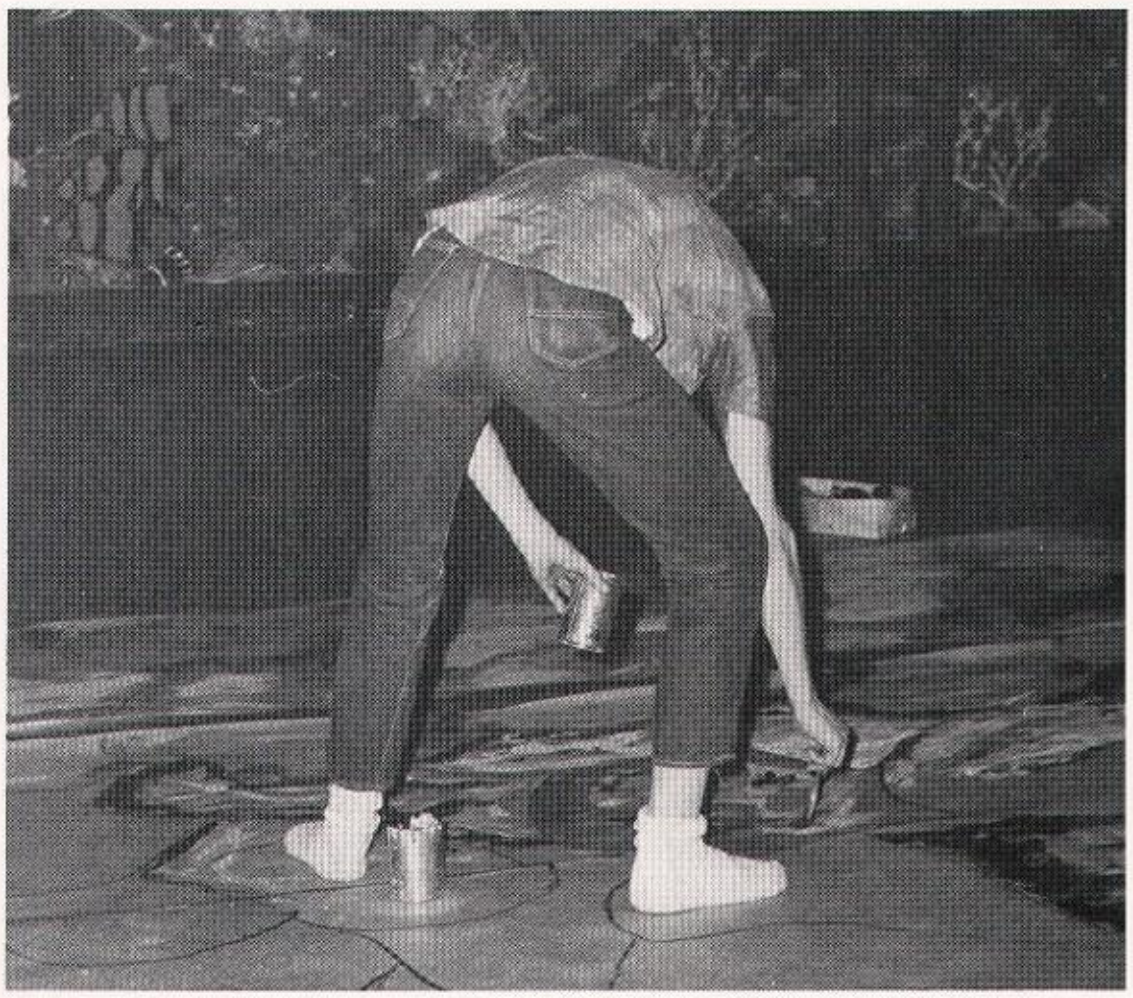
THE END!

Dennis Watson
painting prom mural.



Dick,

To the sweetest boyfriend that I have ever had. Always remember all of the fun that we have had these past months and the people who we have had them with, Charlie, Marcia, Jerry and Chris. I hope that there will be a lot more good and <u>bad</u> times for the both of us. I don't know how you have stood up with me this long. But I sure hope you can keep it up! No matter what ever happens to either of us I hope we can always be good friends. Always remember the class of "40" in someway.

Love,
Pat

Dick,
I'm glad
that I did what
I did when I
met you. Thanks for
making Have fun
your senior year that
RELEASE stay out of trouble,
& hope you & Pat will
always be friends.

Dick,
I'm going to write a book
like Nut did because you
aren't worth it. Remember
the good times we've had
('car in the shop). Good
luck always.

Dick,
Have a good summer
& don't work too hard.
Love,
Nancy

Dick,
I can't believe that I'm the first one to write in your book! Have fun in your remaining year at H.H.S. And stay out of trouble - ha! ha! If that is possible for anyone.
JANE T - '69"

Dick,
I'll write in the back, since I belong here. I don't know you too well, but stay with Pat always. Do have much success in the future years & like everyone says, "Behave yourself."

As always,
Janet

Dick,
Always be yourself. Have fun in your remaining year at H.H.S. Don't get in any more trouble than you've already got into. Remember the Concert? I'll never forget it. Nice guy (Remember me as one?) to know. Pat is really a swell person. Best of luck to you.

Bill,
To a very
nice man-
classman. Good
luck on your last
year at Hebron.
Always
